## Experience

**Web development intern - Prodigy InfoTech** [View Credential](#) 🌐

- I worked on building responsive UI components using HTML, CSS and javascript during this internship.

**Open Source Contribution** [View Credential](#) 🌐

- I learned how to navigate large codebases, write clean PRs and collaborate with developers across the globe.

**AWS - Solutions Architecture Job Simulation** [View Credential](#) 🌐

- Designed and simple and scalable hosting architecture based on Elastic Beanstalk for a client experiencing significant growth and slow response times.
- Described my proposed architecture in plain language ensuring my client understood how it works and how costs will be calculated for it.

**Deloitte Australia - Technology Job Simulation** [View Credential](#) 🌐

- Completed a job simulation involving development and coding
- Wrote a proposal for creating a dashboard

## Projects

**Weather App** [Link](#) 🌐

- Developed a weather app where multiple users can view the current weather of their locality.
- Tools Used: HTML, CSS, Javascript, VS code

**Personal Portfolio Website** [Link](#) 🌐

- Developed with HTML, CSS, and JS, featuring interactive project cards and mobile responsiveness.
- Tools Used: Javascript, CSS, HTML, VS code

**Let's Play Fvrt Geets: A music web application** [Link](#) 🌐

- A responsive web-based music player designed for seamless listening and intuitive control—built.
- Tools Used: HTML, CSS, JavaScript, VS Code, Github

## Certifications and Achievements

- GSSOC (Girlscript Summer of Code) - Code Contributor [LinkedIn Profile](#) 🌐
- Postman API Badge - [Badge Link](#) 🌐
- OOPs in JAVA - Issued by Great Learning [LinkedIn Profile](#) 🌐
- Postgresql - Issued by Simplilearn [LinkedIn Profile](#) 🌐
- Responsive Web Design - Issued by freeCodeCamp [LinkedIn Profile](#) 🌐
